Cyber Safety Tips

for Social Media Usage

Make sure that your **password is strong**. It should consists of combination of letters (**uppercase and lowercase**), numbers, and special characters. Use **different passwords** for each of your social media accounts

Be particular about friend requests – if you don't know the person, refuse the request. If someone is harassing or threatening you, unfriend and block the person, and file a report with the police

Cyber Safety Tips

for Social Media Usage

**What you post
'online is
permanent – Think
twice before
you post**

**Exercise caution when
disclosing personal information
on social networking sites.
The more information you post, the
easier it may be for a hacker or
someone else to misuse it**
