कृषि एवं किसान कल्याण विभाग
Government of India
Ministry of Agriculture & Farmers Welfare
Department of Agriculture & Farmers Welfare

D.O. No.4-2/2022-NFSM

Dated the 11th April, 2023

Dear *Secretary,*

The Government of India is at the forefront in celebrating IYM 2023, making it a people's movement and positioning India as the 'Global Hub for Millets'. To build the momentum for popularization of millets and to make the IYM 2023 a huge success, the inclusion of millets across all domains is crucial to take forward the proposed interventions as part of IYM celebrations.

Is(A) SFAC has recently supported onboarding of some FPOs on to the Government e-Marketplace (GeM), so that they are enabled to sell their produce directly to the Government offices and organisations. This will be mutually beneficial to both FPOs as well as buyers, since the FPO is transacting directly. The FPOs are offering fresh and pure produce, at best possible prices. This will also help them to gain confidence and faith in Government machinery by being able to sell directly.

Millets can be purchased on GeM by Ministries and their departmental canteens. The ready-to-eat products like biscuits, chips, savoury and sweet mixes etc. can be purchased by all offices, for use in meetings, trainings etc. There are also other gift kits available including millet products considering the fact that 2023 has been declared as International Year of Millets.

Attached is the list of the FPO products live and currently available on the GeM portal. I request you to place a few orders from FPOs, both to test the various products that have been uploaded and for feedback on the products. The enclosed list may kindly be circulated to field offices also, as deemed appropriate.

With regards,

Yours sincerely,

(Manoj Ahuja)

Secretaries of all Ministries/Departments
