Sub: Training program on "Himalayan Hydrogeology-Issues and Challenges" as per the recommendation of the Capacity Building Commission-reg

Sir,

As per the direction received from DoWR, RD & GR on the Annual Capacity Plan of the Department, the training on "Himalayan Hydrogeology- Issues and Challenges" is incorporated in the training calendar of RGNGWTRI, Raipur. The hydrogeological setup of the Himalayan Region is complex and distinct from other hydrogeological setups of the country. Considering that a lot of studies/activities on Groundwater Development and Management have been undertaken in the Himalayan Region, the training is proposed to be organized in collaboration with CGWB, Dharamshala. The training will include both theory sessions and exposure to Himalayan hydrogeological features through field visits to enhance the participant's understanding and comprehension.

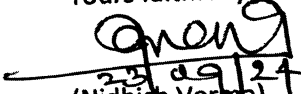

The training is scheduled from 04.11.2024 to 08.11.2024 at CGWB, Dharamshala, Himachal Pradesh. It is pertinent to mention that, the Regional Office of CGWB at Dharamshala does not have any accommodation facility for the trainee participants. Hence, the participants have to stay in the nearby hotel. Travelling Allowance (TA) and DA for the participants will be borne by the nominating organization(s).

In this regard, it is requested to nominate 10-12 officials, (as per the target group mentioned in the CBC plan) from DoWR, RD & GR, MoJS for participating in the training. The nominations can be sent to sandhya-cgwb@gov.in, with a copy to rgi-cgwb@nic.in.

For further information, if any, kindly contact Smt Sandhya Mohapatra, Scientist-D & Course Director;
Contact No: 7735239068.

An early response in this regard is highly solicited.

Yours faithfully
