Sub.: Nomination of officers/officials for International Training Programmes for the Calendar Years 2013 and 2014 under Hydrology Project-II.

It is to inform that the International Training Calendar under Hydrology Project Phase-II for the Calendar Year 2013 and 2014 has been approved by the Competent Authority and enclosed herewith. Further, following approved guidelines may be kept in consideration while nominating the officers for the trainings:

1. Minimum service – officer should have completed a minimum of 9 years of service.
2. Upper Age Limit – All courses under HP-II are 'short term' courses only. The upper age limit for the courses is 56 years. However, there is no age limit for the short term programmes meant for officers of Additional Secretary/ Secretary level.  
Since the international trainings under HP-II are project related, they are exempted from the provisions of 'cooling off'.
4. The officers who undergo foreign training shall be presently associated with Hydrology Project.

All nominations need to be accompanied with following documents:

1. Expenditure incurred by the Implementing Agency under International Trainings /Study Tours since the commencement of HP-II.
2. Brief Bio-data of the officer in the format enclosed.
3. Approval of the Competent Authority from the State Government/Central organization. In case the approval is under processing, a certificate to this effect shall be given by the respective Project Coordinator, HP-II of the Implementing Agency (IA) along with the nomination. Further, it needs to be

assured that the approval of the Competent Authority of the IAs reaches PCS, MoWR at least one month prior to the commencement of the training course, failing which the nomination will be cancelled without any notice.

4. An officer can be nominated for two courses giving his/her order of preference. He/she would be considered for only one course based on his/her preference, seniority, availability of seats, availability of funds, etc. in the respective course.

As the approval of DEA, Ministry of Finance is required to be obtained for each proposal, the Implementing Agencies need to ensure the following while referring the nominations to PCS, MoWR:

1. Visits would be so regulated as to ensure that expenditure remains within the allocated budget of each agency and need for readjustment of cost tables or re-appropriation is not involved.
2. Conformity to the guidelines of HP-II for the nominations and budget availability to be certified by each Implementing Agency.

All IAs are requested to send the nominations of officers for the courses under the International training calendar so as to reach PCS, MoWR latest by 30.09.2013 positively for further processing.
