To,

All Heads of Attached Offices/ Organisations under the MoWR.

**Subject: Development of Online Tracking System for payment of pension and other Retirement dues- Release of salaries and pension benefits to employees through Comp DDO Software.**

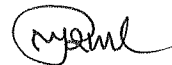

Sir,

I am enclosing herewith a copy of Ministry of Personnel & PG, Department of Pension & PW letter No. 55/22/2013-P &W (C) dated 11.6.2013 on the above subject, which is self explanatory. As stated in the enclosed letter, under the National e-Governance Plan of the Government of India, the Department of Pension and Pensioner's Welfare has been implementing a web based Mission Mode Project on Pensions called the "Pensioner's Portal" since March, 2007. In pursuance to the suggestion made by the Expert Group, the Department of Pension and Pensioners Welfare is in the process of developing an online tracking system for retiring Government servants to track sanction and payment of pension and other retirement dues online through a web based application.

2. The above web based application require linkage of existing software applications of the DDOs and PAOs with the proposed Bhavishya software. Thus, it becomes necessary for all DDOs to process the payment of salary and pension related benefits of employees under their payment control through a common package. CompDDO is such a package developed by the Accounts Informatics Division of the NIC and is being implemented through NICSI.

3. You, are, therefore, requested to kindly direct all DDOs under your organisation to release all payments mandatorily through CompDDO software, as desired by Department of Pension and Pensioners Welfare. In case of any difficulty, you may consult O/O Controller of Accounts and NIC Cell of MoWR for guidance/clarifications.

Yours faithfully,

(L.P. Sharma)

Subject: Development of Online Tracking System for payment of Pension other Retirement dues - Release of salaries and pension related benefits to employees through CompDDO software.

Sir,

Under the National e-Governance Plan of the Government of India, the Department of Pension and Pensioner's Welfare has been implementing a web based Mission Mode Project on Pensions called the "Pensioner's Portal" since March, 2007. One of the suggestions for effective implementation of Pensioners Portal, made by the Expert Group headed by Dr. Sam Pitroda, advisor to PM on Public Information Infrastructure and Innovation, is to provide end to end services to pensioners.

The above web based application will require linkage of existing software applications of the Drawing and Disbursing Officers (DDOs) and Pay and Accounts Officers (PAOs) with the proposed Bhavishya software. Thus, it becomes necessary for all DDOs to process the payment of salary and pension related benefits of employees under their payment control through a common package. CompDDO is such a package developed by the Accounts Informatic Division of the NIC and is being implemented through NICS.

You are therefore requested to extend necessary cooperation in this Department's endeavour by issuing necessary directions to all the DDOs under your administrative control to release all payments mandatorily through the CompDDO software. The NIC wing of your ministry may be approached for necessary assistance in this regard.

This Department may also be informed of the progress in the above matter.

Yours sincerely,
