CIRCULAR

Training Circulars are being put up on the Notice Board as well as uploaded on intranet of the Ministry (Circulars -> Administration) on regular basis. However, the response from the staff and officers as far as nominations for the training is concerned is not sufficient/ satisfactory. It appears that the reason behind the same is the perception that hard copies of the Training Circulars will be sent to all the Sections which has been discontinued to avoid undue wastage of paper in circulation.

2. It is, therefore, requested to constantly check intranet of the Ministry as well as Notice Board to get updates about the training programmes as no hard copies will be sent separately to the Sections.
