Dated the 10th March, 2017

Respected Sir

The Confederation of Central Government Employees and Workers, New Delhi has given a notice that the members of the affiliates of the Confederation will go on strike on 16th March, 2017 in pursuance of their 7th CPC related demands.

2. The instructions issued by the Department of Personnel & Training prohibit the Government servants from participating in any form of strike including mass casual leave, go-slow etc. or any action that abet any form of strike in violation of Rule 7 of the CCS (Conduct) Rules, 1964. Besides, in accordance with the proviso to Rule 17 (1) of the Fundamental Rules, pay and allowances is not admissible to an employee for his absence from duty without any authority. As to the concomitant rights of an Association after it is formed, they cannot be different from the rights which can be claimed by the individual members of which the Association is composed. It follows that the right to form an Association does not include any guaranteed right to strike. There is no statutory provision empowering the employees to go on strike. The Supreme Court has also agreed in several judgments that going on a strike is a grave misconduct under the Conduct Rules and that misconduct by the Government employees is required to be dealt with in accordance with the law. Any employee going on strike in any form would face the consequences which, besides deduction of wages, may also include appropriate disciplinary action. In this connection, your kind attention is also drawn to this Department's OM No. 33012/1(s)/2008-Estt (B) (pt) dated 12th September, 2008 (copy enclosed)

3. A Joint Consultative Machinery for Central Government employees is already functioning. This scheme has been introduced with the object of promoting harmonious relations and for securing the greatest measure of co-operation between the Government, in its capacity as employer, and the general body of its employees in matters of common concern, and with the object, further of increasing the efficiency of the public service. The JCM at the different levels have been discussing issues brought before it and the consultative process is still functioning with the active cooperation from the staff side.

You may also issue instructions not to sanction Casual Leave or other kind of leave to employees if applied for, during the period of the proposed strike and ensure that the willing employees are allowed hindrance free entry into the office premises. For this purpose, Joint Secretary (Admn) may be entrusted with the task of coordinating with security personnel. Suitable contingency plan may also be worked out to carry out the various functions of the Ministry/Department.

5. In case the employees go on strike, a report indicating the number of employees who took part in the proposed strike may be conveyed to this Department on the evening of the day.
