TRAINING CIRCULAR

Subject: Group Training Course in "Integrated Basin Management for Lake Environment" to be held in Japan from September 29 to November 29, 2014 under the Technical Cooperation Programme of the Government of Japan.

The undersigned is directed to state that the Japan International Cooperation Agency (JICA) has invited applications for the above mentioned training programme to be held in Japan from September 29 to November 29, 2014 under the Technical Cooperation Programme of the Government of Japan.

2. This programme aims to strengthen the participants' capacity to apply the concept of Integrated lake Basin Management (ILBM) for meeting their lake basin management challenges.
3. This programme is offered to the Mid-career government officials and senior researchers responsible for the management of lakes (natural and artificial) and their basins for sustainable use.
4. The applying organizations are expected to select those nominees who are either technical officers in charge of lake/wetland water management (including management of rivers flowing into such water bodies) who are expected to assume executive administrative posts in that field or researchers in water quality and ecosystem management programmes in their countries, with more than three years of occupational experience in the field. The nominee should also be an university graduate or equivalent; should have competent command over spoken and written English; must be in good health (both physically and mentally) and must not be a part of military service. The participants between the age group of 25 to 40 years will be preferred for this course.
5. In addition to above, the following information in respect of the nominated officers may please be mentioned while furnishing the nomination:-
 - a) Whether attended any foreign training programme in the past? If so, the duration/detail thereof;
 - b) Whether cleared from vigilance angle;
 - c) Age;
 - d) Whether working in North East State/J&K;
 - e) A brief in 50-100 words justifying the nomination.

6. The course covers the cost of a round-trip air ticket between international airport designated by JICA and Japan; travel insurance from the time of arrival in Japan to departure from Japan; allowances for (accommodation, living expenses, outfit and shipping); expenses for JICA study tours and free medical care for participants who may fall ill after reaching Japan (costs relating to pre-existing illness, pregnancy, or dental treatment are not included).
