Dear All,

Digital India is a program for transforming India into a Digitally empowered society and knowledge economy. It is an umbrella program which encompasses all Ministries and Departments, where many new and existing programs/ schemes and services are being refocused & restructured.

DIW is a week long program being planned by the Government to spread awareness about the achievements under DI program, which include demonstration of eServices and information at various National, State, District, Gram Panchayat, CSCs, schools etc levels.

We have designed a system to take your inputs on the services / eServices which could be included as a part of Digital India program. You are requested to kindly enter the details and plan the activities around them. The details of the web template for data entry by Ministries is as under.

url- <http://diweek.cloudapp.net/>

user name- attached in xls

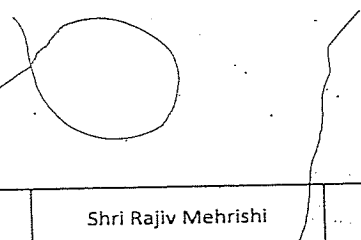

password- test@123

Data Entry Template is available at moving scroller ([Submit info req. via secretary letter dated 15th March 2015](#)) on PMIS.

All concerned are requested to change their password by going to PMIS-> My Info -> Change Password.
