

F.No.J.35012/2/2015-e-Gov.
Government of India
Ministry of Water Resources,
River Development & Ganga Rejuvenation,
(e-Governance Cell)

Shram Shakti Bhawan, Rafi Marg,
New Delhi, dated the 18 Aug, 2015.

Subject:- e-Kranti- Electronic delivery of services – reg.

In continuation to e-Governance's letter No.J.13011/1/2014-e-Gov. dated 10.06.2015 on the subject cited above, the undersigned is directed to forward, herewith, a copy of DO letter No. 7(2)/2012-EG-I dated 'NIL' received from Sh. Ravi Shankar Prasad, Hon'ble Minister for Communications & IT addressed to Hon'ble Minister (WR, RD & GR) regarding the subject cited above emphasizing implementation of the Mission Mode Projects under e-Kranti, one of the pillars of Digital India programme.

2. Although, none of the MMPs specifically relates to this Ministry directly, however, considering the impact of e-Kranti on the success of e-Governance in respect of Citizen Centric services, it is proposed to take necessary steps for timely implementation of following applications under e-Kranti:-

- I. Integration of databases already developed at various Organizations under the Ministry.
- II. Single point dashboard for monitoring/ status of various schemes/ projects of the Ministry.
- III. Mobile based applications can be developed for citizens.
- IV. Development / Implementation of HRMS.

3. It is, therefore, requested that the Wing-Heads / Organizational Heads under the Ministry may indicate their requirements to this section latest by 24.08.2015.

4. This has the approval of JS (Administration).

Encl:- As above.

(A. K. Gupta)

Under Secretary to the Government of India,
Ph. 011-23714350.

Email:- ashok.kgupta@nic.in.

To,

1. All Wing-Heads of the Ministry.
2. All Head of Organizations under the Ministry.

Copy for information to:-

1. PS to Hon'ble Minister (WR, RD & GR)
2. PPS to Secretary (WR, RD & GR)
3. PS to Secretary (Ministry of Communications & IT)
- ✓ 4. NIC Cell for uploading this on Intra-MoWR

375-VI

30/12/12

Government of India accords highest priority to the Digital India programme being an umbrella programme for transforming India into a digitally empowered society and knowledge economy. The pillars 4 and 5 of the Digital India programme namely '**e-Governance: Reforming Government through Technology**' and '**e-Kranti - Electronic Delivery of Services**' respectively are directly linked to the e-Kranti: National e-Governance Plan (NeGP) 2.0. The implementation of e-Kranti is vital for Digital India and for the delivery of e-governance, easy governance and good governance in the country.

2. The Union Cabinet in its meeting held on 25.03.2015 has approved the Approach and Key Components of e-Kranti that include, inter alia, the vision, mission, key principles of e-Kranti, Approach and Methodology, Programme Management Structure and Implementation Strategy including 44 Mission Mode Projects and Core ICT Infrastructure. The vision of e-Kranti is "Transforming e-Governance for Transforming Governance" and its mission is "To ensure a Government-wide transformation by delivering Government services electronically to the citizens through integrated and interoperable systems via multiple modes, while ensuring efficiency, transparency and reliability of such services at affordable costs." In this regard, an Office Memorandum issued on 08.05.2015 is enclosed. (**Annexure-I**)
3. All the new Mission Mode Projects (MMPs) are required to follow the key principles of e-Kranti namely 'Transformation and not Translation', 'Integrated Services and not Individual Services', 'Government Process Reengineering (GPR) to be mandatory in every MMP', 'ICT Infrastructure on Demand', 'Cloud by Default', 'Mobile First', 'Fast Tracking Approvals', 'Mandating Standards and Protocols', 'Language Localization', 'National GIS (Geo-Spatial Information System)', 'Security and Electronic Data Preservation'. All the existing MMPs would be revamped in accordance with the aforesaid principles of e-Kranti. The details on the aforesaid principles are at **Annexure-II**.
4. All States /UTs and Government Ministries/ Departments need to ensure the adoption of the aforesaid transformational principles of e-Kranti in all new and on-going eGovernance projects as well as the existing projects, when getting revamped.

Contd.....

(2)

5. The Approach and Methodology, Programme Management Structure and Implementation Strategy for e-Kranti have been aligned and integrated with the Digital India programme. The Program Management Structure established for Digital India programme would be used for monitoring the implementation of e-Kranti and also for providing a forum to ascertain views of all stakeholders, overseeing implementation, resolving inter-ministerial issues and ensuring speedy sanction of projects (**Annexure-III**). The implementation strategy that inter alia includes details of components of e-Kranti along with their nodal Ministry/Department is at **Annexure-IV**.

6. Considering the relevance and impact of e-Kranti on all Government Ministries/ Departments, and involvement of multiple implementing agencies, it has been decided that the overall responsibility of each component of e-Kranti will be with respective domain Ministry/ Department. The financial details will be worked out project-wise by the Line Ministries/ Departments/ State Governments concerned. They would steer the project proposals for obtaining approval of the competent authority as per the existing provisions.

7. You will agree that success of e-Kranti as an integral part of the Digital India programme will depend on its timely implementation that includes, inter alia, the development of Government applications and databases and most importantly, the guarantee of electronic public service delivery to the citizens in an easy, efficient, affordable, transparent and integrated manner. All of these are vital and would require strong political and administrative will and leadership provided at all levels of the Government Ministry / Department.

I look forward to you for providing leadership and guidance towards timely and successful implementation of the e-Kranti and Digital India programmes in your Ministry / Department.

141

Yours sincerely,

(RAVI SHANKAR PRASAD)
