e-Governance Division's Material for 'Minimum Government Maximum Governance' as
on 31.01.2016

<u>S.No.</u>	<u>Priority for Good Governance</u>	<u>Updated status on activities taken up in the Ministry.</u>
1.	Delivery of Services on a time bound basis	<ul style="list-style-type: none"> • Citizens are regularly apprised of the initiatives taken by the Ministry through Social Media Platform. • The information regarding "Swachh Ganga: Gramin Sebhagita Programme organized by NMCG on 30.01.2016 was last uploaded on the social media/ facebook page of the Ministry.
2.	Simplification of procedures and processes	<ul style="list-style-type: none"> • National Institute of Hydrology have also operationalized e-procurement / tendering process. Implementation of e-Procurement is being expedited in all other Organizations. • 8 Officials have obtained 2nd level Master Training programme on e-Office conducted by NIC. This would facilitate implementation of e-Office. • Basic information relating to physical and financial progresses under various Schemes has been made available on the Dashboard system which can be accessed at http://mowr.nic.in/dashboard. • eLeave Management system has been operationalized in the Ministry w.e.f. 01.01.2016. CWC and CGWB have also initiated this process. • The Committee formed for development of Dashboard / MIS of various Projects/ Schemes under the Ministry has submitted its report on the basis of which the project is being taken up further. • The work order for implementation of Comp DDO software has been awarded to IAP Pvt. Ltd Company which is a NIC empanelled agency. • ER Sheets of more than 6000 Officers in the Attached Offices/ Subordinate Organizations have been uploaded on their respective Website.
3.	Interactive Governance through stakeholders consultation	<ul style="list-style-type: none"> • A comprehensive Website of the Ministry disseminating relevant citizen centric information was last updated on 25.01.2015. • 20 Regional Offices have furnished authorization letters for a separate Gov.in domain registration. This will facilitate self-control on their content and more engagement with the citizens effectively.
