**Subject: Organisation of India Water Week-2024- monitoring by IEC Wing -
reg.**

Sir,

I am directed to refer to the subject mentioned above and to say that IEC wing would be the single point contact for all issues in Department for the IWW event which needs to be taken up subsequently with different wings for further processing. IEC Wing would monitor all such cases and ensure prompt compliance keeping NWDA in loop.

2. Accordingly, IWW Sectt may route all concerned files pertaining to the IWW-2024 through IEC wing i.e. DS (IEC).

3. This issues with the approval of Secretary(WR, RD&GR).

Yours faithfully,

**Signed by Mahesh Kumar
