

Notes:
 1. This map is prepared based upon the Base Map showing the layout of Cauvery Basin with the following Part Bases furnished by Tamil Nadu (vide their letter no. CTC/12CA/53393 dt. 14.10.2002) :-
 1. Government of India, 1956/57/202
 2. Based upon Survey of India Map with permission of the Surveyor General of India
 3. The responsibility for the correctness of internal details rests with the publisher
 4. The vertical scales of this chart are on the sea level as a distance of lowest neap tide unless mentioned from the appropriate base line
B. Inland map prepared by Karnataka:
 1. This individual article in respect of Karnataka has not been shown
 2. Names of existing and proposed projects are indicated in 10 colour
 3. Names of Proposed projects are indicated in 10 colour

Clarified that the coastline of India as shown in the map is correct subject to fluctuations of tides and variations in level. Part (B) of the approved plan for the control, regulation and for the better regulation of the flow of water in the Cauvery Basin of India will apply as required.

Map prepared by the State of Karnataka
