

Ministry of Water Resources, River Development and Ganga Rejuvenation
Status of Memorandum of Understanding (MoU) signed with foreign countries in water sector

S.No	Name of Country	Date of signing/ renewal	Broad Objectives
1.	Australia	10.11.2009	Cooperation in water resources development and management, both surface and groundwater, and particularly river basin management and impact of climate change on water resources.
2.	European Union	07.10.2016	Indo-European Water partnership(IEWP) with a view to bring together representatives of relevant stakeholders, including interested EU Member States and Indian States, European and Indian institutions, business and civil society to strengthen, promote and develop cooperation in the field of water management on the basis of equality, reciprocity and mutual benefits.
3.	Hungary	16.10.2016	Cooperation in the areas of River Basin Management Planning, Integrated water resources management, water and waste water management, water related education, research & development and management of ground water.
4.	Israel	11.11.2016	Cooperation at the regional, national and international level in the field of water resources development and management by collaborating and sharing of experience and expertise in the areas mutually agreed upon, including technique in the efficient use of waste water desalination, aquifer recharge and in-situ water conservation techniques.

5.	Netherlands	27.6.2017	River Basin Management Planning/Integrated Water Resources Management, Pollution abatement for Rivers including River Ganga, Decision Support Systems (data gathering, applications of Remote Sensing & GIS in Hydrology and Water Resources), Delta management –water safety including Flood Management along rivers, deltas and coasts, Promoting water management, water quality issues and waste water recycling and re-use through innovative concession arrangements.
6.	China	05.06.2008	Cooperation on provision of Hydrological Information of the Brahmaputra/Yaluzangbu River in Flood Season by China to India.
7.	China	11.04.2005	Cooperation on provision of Hydrological Information of the Langquen Zangbo/ Sutlej River in Flood Season by China to India.
8.	China	23.10.2013	Cooperation on trans-border rivers, Expert-Level Mechanism on provision of flood-season hydrological data and emergency management and exchange of views on other issues of mutual interest.

9.	Rwanda	22.01.2013	Cooperation in agriculture, water resources management & capacity building including marshland and hillside irrigation; watershed management & water governance; irrigation projects techniques; procedure of planning irrigation projects; guidelines for water management for irrigation; crop water requirement; pressurized and surface irrigation techniques; water availability and reliability for irrigation projects; water use efficiency technology; on-farm water management, etc.
10.	Cambodia	08.12.2007	Exchange of experts and organization of training programs; study tour in the areas of development and management of water resources, both surface and groundwater.
11.	Tanzania	10.07.2016	Cooperation in the field of Water Resources Management and Development by collaboration and sharing of experience and expertise on the areas mutually agreed upon including techniques in water harvesting, water conservation, surface and groundwater management and development.
12.	Iran	4.5.2013	Cooperation on water Resources management and development by collaboration and sharing of experience and expertise on traditional system of water conservation, groundwater recharge, drought and impact of climate change on water resources etc.
13.	Iraq	23.08.2013	Mutual cooperation in water resources development and management including hydrology and hydrological modeling, application of remote sensing & GIS in hydrology and water resources, integrated water resources development and management, irrigation and drainage, surface and groundwater management and development minor irrigation, hydrometeorology, watershed, lakes and wetlands development, dam safety & surveillance, reservoir regulation, training and capacity building.

14.	Fiji	12.2.2014	Cooperation in water resources development and management
15.	Bahrain	22.02.2015	Cooperation in the field of water resources development and management, both surface and ground water through the sharing of technical expertise and experiences.
