Government of India.

Subject: Distance and e-learning programme for government employees.

Dear Sir/Madam.

The Department of Personnel and Training has launched 'Distance and e-learning Programme for Government Employees (DELPGE)' in collaboration with Indira Gandhi National Open University (IGNOU). The objective of the programme is giving scope and flexibility to government employees for knowledge and skill development from their respective work places. Details of the programme are available at this Department's website <http://persmin.gov.in/otraining/ignou.asp>. Under the programme, the government employees are eligible to enroll themselves for a large menu of courses offered by IGNOU, conferring Diploma/PG Diploma/Advanced PG Diploma/Masters Degree, apart from a number of certificate courses. The eligible employees have to directly enroll for the programme of their choice in response to IGNOU's academic calendar and pay the course fee upfront. The amount so paid shall be reimbursed to the employees by IGNOU on their successful completion of the courses.

You are therefore requested to give wide publicity to the above programme among the officers of your cadre and other eligible offices under your administrative control.

Yours faithfully,

(N Rija)
Director (Trg)

To, NIC Cell - For uploading on intranet.
